Welcome Letter

Dear Student,

We take immense pleasure to welcome you to the GM University. We take pride in offering **Student Centric Outcome Based Education** that is relevant to today's industry, business and society. The University has created excellent teaching and learning resources, modern on-campus facilities organized to facilitate student care and nurture talent in a creative and innovative environment.

I am sure you will have an exhilarating experience at the University. We have put in every effort in making sure that your stay at GM University of is memorable and rewarding.

Please read the handbook completely and preserve, as it contains all the information that will be required by you, to guide you through your course. There will be no excuse if you are not in the right place at the right time, doing what you are required to be doing.

The course is intensive and requires your hard work and dedication all along to come out with flying colours. During the course you have the opportunities to participate in co-curricular and extracurricular activities organized by the University for your overall Development. I advise you to strive not only for acquiring a degree but also for understanding the essence of each and every subject that you undergo during your course; your degree may help you to get a job, but the essence of the degree helps you to climb the ladder in your career and also provide professional satisfaction. Please meet people, make new friends and actively participate in all the activities and enrich your experience with joy to become a excellent graduate.

Please feel free to contact the concerned officials at any point of time for any support and guidance.

I wish you success in every endeavour and have an enjoyable and memorable experience at the University.

Dr. Kiran Kumar H S

Director – Student Affairs
