Welcome

Dr. S R Shankapal
Vice Chancellor

It gives me immense pride and happiness to welcome you all to the First Convocation of GM University, a truly historic milestone in the life of this young and ambitious institution. Today, we celebrate the University's first opportunity to award degrees under its own name and logo—an occasion that marks not just an academic ceremony, but the formal articulation of GM University's identity, values, and aspirations.

This Convocation marks the graduation of our first cohort of postgraduate students from the MBA, MCA, and M. Com programmes. Around 400 students are being conferred with their degrees today. Many among them have successfully secured placements through campus recruitment, while our Career Advice and Student Placement Department continue its dedicated efforts to guide and place the remaining graduates. This moment stands as a proud reflection of our collective commitment to preparing students for meaningful careers and responsible professional lives.

GM University commenced its academic journey in September 2023. In a short span of time, the University has grown steadily and now offers 64 academic programs, attracting an encouraging and diverse group of learners. From its inception, the University has consciously adopted a 21st-century vision of higher education, focusing on the holistic development of students—integrating academics, research, skill development, innovation and entrepreneurship, sports, cultural activities, technical competitions, and structured mental health initiatives.

We are committed to providing a vibrant on-campus experience supported by modern infrastructure and facilities, including a smart and digitally enabled campus, contemporary laboratories, student hostels, transport services, cafeteria, open green spaces, and sustained interaction with the external world. A wide range of digital initiatives have been introduced to align with the evolving aspirations of today's learners. The University is privileged to have a committed, proactive, and forward-looking faculty and staff, whose dedication forms the backbone of our academic and institutional growth.

We firmly believe that the education and experiences gained on this campus will empower our graduates to grow as competent professionals, responsible citizens, and future leaders. We firmly believe that these graduates will contribute meaningfully to the realization of the vision of Atmanirbhar Bharat and Viksit Bharat 2047. The unwavering support and vision of our management have been central to this journey. I sincerely acknowledge the leadership of our Chancellor, Shri G. M. Lingaraju, and the exemplary guidance of the Sponsoring Body, Srishyla Education Trust, whose commitment is to make GM University one of the finest institutions in the country.

We are deeply honoured to have Dr. Mylswamy Annadurai, renowned space scientist and former Project Director of Chandrayaan-1, as the Chief Guest for this First Convocation. His distinguished career and inspirational journey will undoubtedly motivate our graduates as they step into the next phase of their lives.

On this momentous occasion, I extend my heartfelt gratitude and warm welcome to our Chief Guest, our Chancellor, the President and Trustees of Srishyla Education Trust, Pro-Vice Chancellor, Registrar, Deans, Faculty Members, Staff, and our respected BoG Members and advisors Dr. K. Divyananda and Mr. Rafiq Raj, along with all our esteemed guests. Most importantly, I congratulate our graduating students and warmly welcome their proud parents and families, who have been steadfast partners in this academic journey.

I wish all our graduates continued success, purpose, and fulfilment as they carry forward the values and spirit of GM University into the world.

Chancellor's Profile

Sri. G M Lingaraju
Chancellor

**A Visionary Leader, Industrialist,
and Nation-BUILDER**

Sri G.M. Lingaraju is a distinguished industrialist, educationist, philanthropist, and visionary leader whose contributions span industry, agriculture, education, and social development. Born on 15 August 1968 in Chitradurga, Karnataka, he comes from a family deeply rooted in public service. He is the son of Late Shri G. Mallikarjunappa, a respected agriculturist, industrialist, and former Member of Parliament, and the younger brother of Sri G.M. Siddeshwara, a four-term Member of Parliament. These influences shaped his lifelong commitment to integrity, leadership, and nation-building. He completed his schooling at Janaseva Vidya Kendra, Channenahalli, Bengaluru, and earned a Bachelor of Commerce degree from Government College, Chitradurga. A disciplined individual with a passion for sports, he actively participated in basketball, swimming, and hockey, reflecting the perseverance and teamwork that define his leadership style.

As Chairman of the GM Group of Companies, Sri G.M. Lingaraju has played a significant role in Karnataka's industrial growth. The group's diversified presence across education, manufacturing, power generation, healthcare, real estate, exports, and social welfare has achieved a consolidated turnover exceeding ₹18,000 million and created employment for more than 5,300 people. His leadership has been instrumental in revitalizing industries and fostering sustainable economic development.

A notable achievement under his stewardship is the transformation of GM Sugar and Energy Ltd. into a modern and efficient enterprise with a crushing capacity of 5,000 TCD and power generation of 18 MW supplied to the national grid. His investments in ethanol production and cogeneration have strengthened rural economies, generated over 2,000 jobs, and enhanced farmer livelihoods through sustainable agricultural practices.

Deeply connected to agriculture, Sri G.M. Lingaraju has championed farmer empowerment through financial inclusion and technological support. Initiatives such as the GM Souharda Pattina Sahakari Niyamita Co-operative Bank have enabled sugarcane and arecanut farmers to access credit and modern farming solutions, contributing to rural prosperity.

Education remains central to his vision. As Secretary of the Srishyla Educational Trust, he has nurtured institutions including GM Institute of Technology, GMH Pre-University College, and GM Institute of Pharmaceutical Sciences and Research. This legacy culminated in the establishment of GM University, Davanagere, in 2023, envisioned as a hub of academic excellence, innovation, and industry collaboration, with a strong focus on empowering rural youth.

His philanthropic work through the G. Mallikarjunappa – Smt. Halamma Charity Foundation encompasses healthcare support, scholarships, clean drinking water initiatives, and large-scale job fairs benefiting thousands of students. As an active member of FICCI and CII, he also contributes to policy advocacy and national economic development.

As Chancellor of GM University, Sri G.M. Lingaraju exemplifies visionary leadership, social responsibility, and an enduring commitment to education and national progress.

Chief Guest's Profile

Dr. Mylswamy Annadurai
Renowned Space Scientist,
Former Director of ISRO Satellite Centre

Dr. Mylswamy Annadurai, widely celebrated as the “Moon Man of India,” is one of the country’s most distinguished space scientists whose contributions have profoundly shaped India’s space programme. Born in Kodhawady village in Coimbatore district, he completed his schooling locally before obtaining his B.E. from the Government College of Technology, Coimbatore, and his M.E. from PSG College of Technology. In 1982, he joined the Indian Space Research Organisation, beginning an illustrious career that spanned more than three decades. Early in his tenure, he served as Team Leader for the Software Satellite Simulator, and subsequently as Spacecraft Operations Manager for IRS-1A and INSAT-2A. His expertise in satellite and mission management led him to serve as Mission Director for several key national missions, including INSAT-2C, INSAT-2D, INSAT-2E, INSAT-3B, GSAT-1 and INSAT-3E. He played a historic role as Project Director of Chandrayaan-1 and contributed significantly to Chandrayaan-2, later serving as Programme Director for Indian Remote Sensing, Small, Science and Student Satellites. From 2015 to 2018, he led the U. R. Rao Satellite Centre, Bengaluru, as its Director, steering the development of multiple advanced satellites across communication, navigation and earth observation.

He is a Trustee Member of the American India Foundation Trust, Director of SSI Innovations in New Delhi and SS Innovations International Inc. in Florida, Advisor to Daksha Unmanned Systems and Executive President of the Senior Citizens Support Forum, Chennai. In 2025, he assumed leadership as Chairman of HONC Gas Pte Ltd, Singapore.

Dr. Annadurai’s remarkable contributions have earned him numerous national, international and institutional honours. These include the Padma Shri (2016), Karnataka Rajyotsava Prashasti (2008), multiple honorary doctorates, and distinguished alumni recognitions from premier institutions. ISRO has honoured him with the Vikram Sarabhai Research Award, ISRO Merit Award, Team Excellence Awards and the Outstanding Achievement Award. Professional bodies across the world have recognized him with awards from the International Academy of Astronautics, American Institute of Aeronautics and Astronautics, Aeronautical Society of India, NIQR, and several global scientific forums. Social and public institutions have also honoured him with awards for human excellence, science promotion, leadership and lifetime contributions.

A visionary scientist and an inspiring leader, Dr. Annadurai continues to be a guiding force for young innovators and a respected voice in India’s scientific community.
