### Highlights of the Event

- Presentation on C Programming and its Relevance to Engineering Students FDP Program was conducted for faculties of FET, GM University on 20<sup>th</sup> July 2024 at 12:00 PM.
- Resource Person, Dr. Sanjay Pande M B Principal- GMIT, Director-SCST GM University was invited.
- The FDP mainly Focused on equipping educators with in-depth knowledge and effective teaching strategies for C programming, a foundational language in engineering education.
- The program emphasizes the significance of C in developing problem-solving skills, understanding computer architecture, and enabling students to transition smoothly to advanced programming languages.
- The FDP also highlighted the best practices for engaging students in hands-on learning and integrating C programming into the broader engineering curriculum.
- By the end of the program, Tea and Biscuites was provided to the faculty members.
