Report On 1-Day workshop on Teaching Pedagogy

The Department of Electronics and Communication Engineering at GM University, Davanagere, organized a workshop on "Teaching Pedagogy" under the Faculty and Staff Enrichment Center on July 20, 2024, from 2:00 PM to 5:00 PM. This one-day event aimed to enhance the teaching skills of the faculty members and provide insights into effective teaching methods and Bloom's Taxonomy levels.

The session was presided over by **Dr. H.D. Maheshappa**, Pro Vice Chancellor of GM University, **Dr. S. V. Prakash**, Dean-Faculty of Engineering and Technology; **Dr. Praveen J**, Director-School of Engineering; and **Dr. Somashekhar G. C.**, Head-Department of Electronics and Communication Engineering.

Dr. Somashekhar G. C. commenced the session with a warm welcome, highlighting the significance of such developmental programs in fostering a culture of continuous learning and improvement among the faculty.

Dr. H.D. Maheshappa then addressed the faculty, emphasizing the importance of teaching pedagogy and Bloom's Taxonomy. He explained how understanding and applying Bloom's Taxonomy can help in designing effective curricula and assessments that cater to different levels of learning, from basic knowledge to higher-order thinking skills.

Following this, a faculty member delivered an insightful presentation. After the presentation, the session was opened for feedback and reflections. Faculty members shared their thoughts, provided constructive feedback, and reflected on how the presented strategies could be adapted and implemented in their own teaching practices. This interactive segment allowed for a rich exchange of ideas and experiences, fostering a collaborative learning environment.

The session concluded with remarks from both the Pro Vice Chancellor and the Dean. **Dr. S. V. Prakash** appreciated the efforts of the organizing team and the active participation of the faculty members. Both leaders reiterated the importance of continuous professional development and encouraged faculty to implement the discussed strategies in their teaching.

Faculty and Staff Enrichment Center (FASEC) Department of Electronics and Communication Engineering

The one-day FDP on Teaching Pedagogy was a resounding success, providing valuable insights and practical strategies for effective teaching. The interactive and reflective nature of the session ensured that all participants benefited from the shared knowledge and experiences. The program concluded with a renewed commitment from the faculty to apply these pedagogical techniques in their teaching practices to enhance student learning outcomes.
